**AND ALSO THE TREES**

**Further from the truth** **AATT** **CD** **15,00€**  
 Delicate, monotone synthesizers, melotrons & even the cry of wine glasses merge to create a soundscape not industrial or pastoral but somewhere in-between, a place of long, hot, feverish nights. If there is a theme to this album, it lies in it's other-worldliness, reflected in the hallucinatory cover art & none more apparent than on the narcoleptic "The reply", the breezy "The man who ran away" & "The untangled man", a haunting babel in the finest epic tradition
